Customer comments:

"My mum and her long term partner decided to get married and didn't give us much notice as they didn't want any fuss. We decided we wanted them to have a cake as part of their very low key and intimate celebration and asked Tina for her help. She made the most wonderful, elegant and delicious cake, at extreme short notice and it was literally the "icing on the cake" to see their faces and surprise when they saw the cake. It was duly shared amongst those who didn't attend the wedding and was a great way to share the news of their wedding and celebrate with their friends. Thanks Tina!!!!"

"Tina helped us choose the design of our cake, the price was excellent for our large 3 tiered cake. It tasted fab, all our guests commented on it!!!"

"We brought Tina to London to do the cake she was patient & listened carefully to what we wanted. She sent cake samples of her recipes to us & did a stunning job of a 5 tier cake. She was very affordable along with an excellent product."

"The cake that Tina made was beautiful to look at, tasted divine and was exceptionally moist. We asked that she use our crystal swans on top of the cake and this she did willingly, along with the fresh roses the cake was finished to perfection. The price was outstanding and we would recommend her to anyone. We will definitely use her again in the future."

"A friendly, personal and professional choice. Nothing but good things to say about the cake, from presentation, taste, decoration and communication. Outstanding."

"Tina's contribution to the success of our wedding day cannot be underestimated. She took a great deal of time and trouble providing ideas and designs for our cakes. They not only looked gorgeous (Tina took such care with the decoration - even down to selecting the perfect shade of flowers), they tasted divine. We had so many compliments on the day from our guests, who were really impressed by the cakes, and from others too who only saw the photographs! We remain grateful to Tina for her reliability and professionalism - and for making our special day extra special!"

"The service that we received from Tina's Cakes for all Occasions was excellent, everything was done via the internet or by phone. The cake was beautifully made and decorated, it complimented the theme of the wedding perfectly. Tina delivered the cake on the day and set it up on time for us. It was excellent value for money with everything provided including stand and cake knife. I would recommend Tina's cakes to anyone and would not hesitate to have her make my other daughters cake in the future if she is still making cakes."

"The service that Tina provided by far was the most professional of my wedding day, the cake was absolutely outstanding in terms of decoration and taste. I opted for a 3 tier with 3 different sponges, Tina provided samples to help me decide and gave me honest/helpful suggestions as I found it difficult to choose decoration and style. As I had not tasted the carrot cake at the wedding Tina baked me a small cake a week after the wedding for me to have - it was a really thoughtful and personal gesture. I would definitely (and have) recommended Tina Cakes to friends and colleagues."

"We had a meeting with Tina prior to ordering our cake and although we had colour schemes and a vague idea of what we wanted, Tina was able to design the perfect cake for us. The

majority of our guests commented on how delicious the cake was and the arrangement of the two tiers was perfect. The loan of a stand and knife was much appreciated and one less thing to worry about! I would have no problem recommending Tina's services to anyone and have since had Tina make cakes for other special occasions as the cake always ends up being the focal/talking point of the event! As for value for money, you can't beat it and I wouldn't spend my money anywhere else."

"We couldn't have asked for a better service. Tina was full of enthusiasm and very professional. Our cake looked stunning and tasted great - what's more it was very good value for money. I would highly recommend using Tina's Cakes."

"My enquiry by e mail was answered promptly followed by a telephone conversation with Tina. From that initial conversation every single item was dealt with totally professionally, with great care and kindness. We had certain ideas for the wedding cake which Tina immediately understood and, with her expertise, enhanced those ideas until we had a stunning cake. She delivered and set it up on the day and it tasted as good as it looked. Tina was very confident and it was great to know there was no need to worry that the cake would be wonderful. Even the cakestand and knife were more than we could have ever hoped for. I would recommend Tina to anyone wanted a very special cake made."

"Absolutely fantastic! We didn't even meet!! I cannot praise Tina enough!! Thank you so so much"

"Everything that we asked for, we got. Service was more than excellent. Delivered to the venue on time. Would recommend to anyone that wanted a cake made. Very professional, also the price was excellent."

"I liaised with Tina over the phone/email and never actually met her, but she was extremely professional and really helpful prior to the order. I didn't really know what I wanted to start off with as I was looking for a cake that would double as the desert so she emailed me some current photos of the type of cake I thought I was looking for. When the cake arrived on the day it was outstanding, very simple but better than I had expected, however the proof was in the eating. It was delicious to the point that there was none of the first tier left (even the groom didn't get any as so many of the guests had seconds). The 2nd tier was taken home and my son has gradually worked his way through the whole cake. The cost was more than reasonable - a totally satisfied customer."

"I wanted individual cakes and a top tier to keep. Tina made the most wonderful individual cakes that were each decorated like a mini wedding cake.

Everyone thought they were beautiful. Even people that have worked in the cake trade.

The ribbons and flowers matched my flowers perfectly, thanks to Tina's time in making sure she had the same colours as mine.

She knows that for any occasion we will always return to her for our special cakes, and we would recommend her to anyone."

“Tina's service was faultless - the cake was exactly as ordered, set up beautifully on the day, and enjoyed and very much admired by all!”

“tina did everything possible to keep us both happy finished up with 2 fantastic cakes just to keep the old man happy with a strange taste or as fi would say no style. Top marks for service and quality”

“Tina makes the most amazing cakes, they look too good to eat!! she gives such a personal touch to her wedding cakes!!”

“Put simply Tina's Cakes managed to far exceed our already high expectations. My wife gave Tina only a couple of photographs and phone conversations to portray what she and I wanted the wedding cake to look like and portray.

I am very, very proud to be Cornish and I wanted to share my heritage with our guests throughout the wedding day and including through the cake. This is one thing the guests still talk about.

The epitome of our day is looking back at our photos and the one of us cutting our cake and thinking how Tina contributed to us having the Wedding of a Life Time!! Our heart felt Thanks and Appreciation to Tina's Cakes. Simply Outstanding. Mrs and Mr Wilton”

“The Cake was simple beautiful decorated, and delicious to eat... The comments from the Catering Company was it was the best cakes they have seen in a long while taste and look..”

“Tina made our wedding cake in march 09. outstanding value ,great service ,and fantastic finish , The cakes are so unique she will make what ever you have in your mind and the stands she provides are stunning. To top it off Tina even sorted the flowers to go on the cake to match my bridesmaid dresses fab , very pleased words cant describe how happy we both were . mandy and steve Lawson”

“Tina provided us with a very traditional wedding cake with a modern twist in the tier lifts. She lent us an antique cake stand that beautifully set off the creation. She did all the work, matching colours and flowers, delivering the cake and setting up the table in Jamaica Inn. The fruit cake was “scrumptious” and we served it with brandy that made a lovely accompaniment. The sponge cake was equally good our son had three portions! We used Tina for our daughter’s wedding cake and would recommend her to anyone. Tina really deserves to be recognised and win.”

“Tina's cakes did an outstanding job with our cake. took all our ideas onboard and came up with the perfect cake, and also displayed our cake in the most perfect way...”

“The cake (work of art) was a gift to my sister and her future husband, and we only the colour scheme and a rough idea of what they would like along with 7 weeks before the big day. In a panic I contacted tina. Tina arranged for me to meet her the next day and within 30 mins we had everything sorted, with some of my ideas and some of Tina's thrown in for good measure.( What also helped was the extensive portfolio Tina had for the finer details).within the 7 weeks Tina kept us all informed of the progress updates which was very welcomed. Two days before the

wedding we viewed the cake we were "speechless" it was beautiful, cake art at its finest,.Tina travelled 35 miles to deliver and set the cake up which you could truly say "WAS THE ICING ON THE CAKE""

"Outstanding cake, was beautifully presented.  
WOULD RECOMMEND"

"Everybody commented on how wonderful our cake was, and it truly looked and tasted amazing. It was everything I had hoped it would be and more. Tina is a very talented cake maker and decorator who I have recommended to friends. She also offers excellent value for money - which is refreshing because I found with almost every other aspect of the process the second the word "wedding" is mentioned costs seem to rocket!"

"Tina was fantastic! The personal service she gave before our wedding was brilliant. She filled me with confidence when we first met. We designed the cake together and the final product was amazing, exactly what I wanted. It tasted delicious too, all the guests commented how beautiful it looked and how tasty it was! Tina was friendly, professional and committed to us. The price couldn't be beaten either. We were very lucky to have been recommended her, and I have recommended her to all my friends and family!"

"I had every confidence in tina, it was nice to have one less thing to worry about!!! Our wedding cake not only looked amazing but it went down well with all our guests too!!!"

"I saw Tina's Cake For All Occasions at a Cornish wedding show, the cakes looked amazing and she was very pleasant to talk to. Tina took my details and brought me around a sample cake in my chosen design to taste. It tasted as fantastic as it looked!! The service on our wedding day was brilliant, we had no worries on relying on Tina to set up the cake, on an elegant stand at our venue. On our Wedding Day the cake looked fantastic, exactly how we wanted and very beautiful. It tasted amazing, truly scrumptious and we had very happy guests! The service was faultless and the quality was perfect. I was really pleased with the cost being under our budget and I believe she put in 100%. We thank Tina very much, a real star."

"We were astounded at the service we received. We had both been previously married so wanted a just a one tier wedding cake, made of sponge. The lady spent time discussing our wishes and came up with some lovely ideas, she matched our colour scheme and even visited our florist to ensure the match was perfect. She was friendly, approachable and nothing was too much trouble and she delivered the cake on the morning of the wedding. It was beautiful to look at and tasted just as good, if not better! We could not believe how cheap the cake was, especially with all the effort she had put in. Her professional attitude to her business reassured us that we would have no doubt that the cake would be there. Would highly recommend, and challenge anyone to find a better cake service. Thanks Tina"

"Highly recommended!"

"I could not fault the quality of the cake, there were excellent comments from all of my guests. Tina give me her undivided attention for our cake and it made me feel special. I have one more daughter to get married and i will not hesitate to ring tina first, it was a pleasure working with her."

"Tina is absolutely brilliant. The scores above are totally genuine. She provided us with exactly what we wanted at very good price. The majority of our guests commented on how lovely our cake looked. We have used her since for birthday and christening cakes (one of which was at very short notice) and would recommend her to anyone. Although I am dreading it, my thirtieth is fastly approaching and I am sure my wife will be using Tina's services again."

"As Vikki's Mom I wanted everything to be perfect. Tina was on board from the word go and perfectly translated Vikki's idea into reality. We felt assured from the word go, nothing was to much trouble she was always calm and ready to advise and the result was amazing."

"this lady is superb i found the cake i wanted and she copied it to the exact crumb!! she offered outstanding value charged 3xtimes less on other offers i had..she also included the stand and knife 2less things to think about! the cake was delivered to the reception for me at no extra charge..the cake itself was stunning and tasted fabulous i had many compliments and would highly recommend her to anyone..my dad got married in april and used tina as well and he was just as impressed!!"

"out cake marker let us down as last minute and my daughter had said how good hers was so we tried it she was extrememely helpful managed to put together what we wanted with not much notice..kept in regular contact and delivered to our venue at no extra charge..price was very impressive much cheaper than we expected so id defintely recommend her work!"

"Having used Tina before to make occasion cakes and being very impressed, she was our first choice when finding someone to make our wedding cake. Due to living 200 miles from Tina's base, we had to liaise our requirements to Tina by telephone. However, she was still able to deliver a cake that exceeded our requirements in every way. The attention to detail on the decoration was outstanding and many of our guests commented on how lovely it both looked and tasted.

Tina puts 100% effort into her cakes and this reflects in the superb presentation that she achieves. I wish her every luck with obtaining a much deserved award."

"The wedding cake that Tina created for us was first class. The decorative work alone was above and beyond what was expected, far exceeding the price Tina asked. Tina delivered the cake to our reception venue personally, and took the time to make sure that both the cake and the colour-coordinated floral topping looked glorious. She didn't disappoint. She even placed an array of rose petals around the cake display on the table cloth. Our guests paid as much attention to the cake as they did to the bride! My wife was so thrilled with it that it brought a tear of joy to her eyes. As for me, I wanted to tuck into it before the main course! Tina is a pleasure to work with. Her cakes are everything a bride and groom could wish for, and most importantly, they taste delicious!"

"Nothing was too much trouble, help and advice where always on hand."

"The cake Tina made looked stunning and tasted stunning! We'd recommend her to anybody."

"Tinas' cake was fantastic. She covered everything that we wanted for our cake. The sponge was moist and the icing was soft and sweet but not too sickly. Tina delivered our cake to our

wedding venue on the day of our wedding with a cake stand and knife. The cake looked beautiful and was enjoyed by everyone. I have recommended Tina to my Mum who has also bought several of her cakes for other occasions, and they are all been outstanding.”

“From the moment I approached Tina's cakes nothing was too much trouble. She is innovative and prepared to go to any lengths to make sure that the final product is exactly what you had in mind for that all important centre piece. Tina makes you feel that it is as important to her as it is to you to make sure that the cake looks glorious. Infact so pleased and happy was I that I wouldn't dream of going to anyone else.”

“I cannot fault the service provided, it was perfect from planning the cake to eating it!! It was absolutely delicious!!”

“Service was excellent and many guests commented on the Cake.. Overhaul very very satisfied”

“the cake was the final touch to the most perfect day.”

“We met Tina at a wedding fayre held at St Mellion Golf Club. We liked the 2 tier heart shaped cake on her display. After looking at several other options we decided that that was the design we liked and Tina offered real value for money compared to other companies. we wanted one tier to be sponge and the other to be a fruit cake which Tina was more than happy to do. We gave her a sample of the material from the brides maids dresses for a colour match with the decoration which she did perfectly. On the day Tina arrived early and set the cake up for us with her own stand and knife at no extra cost and it was perfect. It looked beautiful on our top table, it tasted wonderful!!! and we wouldn't hesitate to recommend a very talented lady to other prospective customers.”

“Tina was everything I was looking for in a cake maker; unique cake designs and ideas and excellent friendly service without costing more than the wedding dress! She made everything very easy and thought of all of the things I didn't. I couldn't have asked for more.”

“The whole service we received was absolutely fantastic. Tina showed dedication and made us feel like our cake was the only one she was making! she was brilliant. We have recommended her to people we know who are getting married soon and really hope they hire her. As for the cake itself, everyone loved it and wished there was more. It was beautiful! We wish Tina all the luck in the world and hope she wins, as she totally deserves it!”

“fantastic service attention to detail brilliant.”

“Tina is an outstanding lady her creativate is exceptional and created exactly what we wanted in our wedding cake.”

“Tina delivered exactly as she promised”

“Cake was beautifully decorated, just what we wanted, the fruit cake was very moist and full of flavour.”

“Service was fantastic, we didn't have to do a thing. Tina made our cake exactly as we asked, and delivered to our venue on the day, so it was one less thing to worry about. Cake was delicious and we would definitely recommend to friends and family in the future.”

“What Tina did with my cake was wonderful. I only gave her a few things, such as colour scheme, to work with and she made the perfect cake. It was iced in white, but she had painstakingly put tiny bits of red ribbon into the icing a) around the bottom edge and b) created heart shapes on the top of both cakes. In the centre of the hearts she had made posies out of fresh flowers. The end result was a perfect surprise.”

“I couldn't think of anyone I would rather have had to make my Wedding Cake Tina as she has made many cakes over the years for us and we have been very very pleased.. exceptional quality value and beautifully decorated to the highest standards..”

“I met Tina at the Wedding Fair at St Mellion last year. She was very approachable and friendly. She then followed up by arranging to meet and was again very friendly and brought a great portfolio of previous work she supplies.

The cake on the day was absolutely beautiful and really fitted in with our wedding theme. We chose a simple design however the work was intricate and delicate. Our guests commented not only on how nice it looks but also on the fabulous taste.

I would definitely recommend Tina and would use her in the future for other occasions.”

“A fantastic wedding cake. Well designed and presented. Efficient, friendly service.”

“Tina is a bubbly person easy to communicate with. She has great confidence which put me at ease right away. Tina had brilliant ideas, and showed me pictures of work that she had done, which helped me to decide on my cake design. Which on the day was absolutely fantastic which was what I wanted and more, the colours match perfect with the wedding theme. We blended traditional wedding cakes with cup cakes. She handles all the details from start to finish brilliantly. They tasted great!”

“The 3 Tier Chocolate Wedding Cake Tina made for us was of the highest standard and more than we could have wished for it looked and tasted fantastic.. every one commented how wonderful it looked on the day..”

“The cake was beautiful it made Mike and Laura's day as they had not seen the cake until the reception, Tina went to the venue Eagle House at Launceston to take the cake and have it ready for them and she also helped me to set up the flowers on the main tables. I also didn't give Tina enough time as we just found out Mike was very poorly at the time and still is with a brain tumour, so when they saw the cake they had tears in their eyes. I bought the cake for them as a wedding present from Mrs B Hall, I have sent many customers to Tina so I hope she does well as she went that extra mile to make Mike and Laura's day that little bit special and I have to say thank you”

“Tina was extremely kind and was prepared to almond paste and then ice our son and daughter in laws wedding cake, after I had made the cake-which is rare. We had to transport the cake from Cornwall to Anglesey for the wedding. Tina packed the cake for us so that it arrived in the same condition as it left Cornwall. Tina also almond coated and iced a birthday cake for the brides

father, as he was 65 on the same day. We are delighted to be able to commend her for the award. Ron & Julia Lucas"

"Tina's service was absolutely amazing, we couldn't have asked for more. She was friendly and listened to our ideas inputting where necessary which resulted in the most amazing cake ever. It was exactly what we wanted and more and tasted absolutely delicious. We couldn't have asked for a better cake. We have recommended her to all my friends for their wedding cakes and for all other occasion cakes as well. We wouldn't hesitate to use her again. A brilliant service."

"I met Tina as I was so impressed with a wedding cake for my friend's wedding, I was also so surprised at what she paid. I was unsure what I wanted for my wedding cake, I knew I liked the idea of cupcakes, something sparkly with butterflies.

Tina was fantastic, as I work and was always so busy..she emailed me photos..talked on the phone..sent text messages..it just made it so easy for my busy lifestyle.

When I saw my cakes on my wedding Day I was so thrilled..they were just what I wanted everyone loved them..

They were talked about for months after.

They also tasted as good as they looked.

I recommend Tina to everyone, she is fantastic..makes fantastic cakes which are so reasonable. she so deserves this award, she works so hard, such a lovely lady. when/if you meet her you will see just how lovely she is."

She delivered to the reception set up and took some lovely pictures of it which she later forwarded on.. We cant thank her enough for the service she provided.. and want to wish her all the best for the future.”

“When I was arranging my Special day I had the image of a English Country Garden theme, and wanted the cake to be in keeping with the theme. The cake was dressed to perfection with beautiful fresh Peonies and Foilage to match my Bouquet and very beautiful intricate decoration on the side which matched so perfect. We got married at Tewin Bury Farm Tina being a family friend said that delivery and set up would not be a problem she travelled up the day before with the cake and on the day of the wedding made sure our day was perfect the table was dressed accordingly, we cant thank her enough for her time and efforts she put into making our day so special. “When we decided to book Tina for our Wedding we both knew that we wanted a Chocolate Wedding Cake being Chocoholics! but we also liked cheesecake!
